Normal FAQ'S:

- "What if I don't like the kit chosen? What do I have to do?" Great question! You can always do one of two things:
 - a. Purchase ANY product of choice: cardstock, inks, stamp sets, organizational, albums and accessories ... whatever you want as long as you purchase a minimum of \$30
 - b. Each month, I include another list of items still available that we've created already. Just click on the link to artwork and ask me for the shopping list to that product line.
- "What if I am a Card Maker?" No problem. There are a plenty of things for you too!

- a. Card Kits using the same product line as our Kit of the Month Kits
 - b. Workshop Your Way Card Kits (themed, holiday, all occasion)
 - c. Cut Above (precut) card kits for Holidays and All Occasion
- "I like to CREATE my own way..." Great! This club affords you the opportunity to Buy on a Budget each month and receive FREE Rewards for your loyalty and consistency. You are welcome here! You pick the product, shipped to your door and get to be the hostess too!
