

New Consultant Special

If you'd like to know why you should sign up to become a CTMH Consultant, hopefully these frequently asked questions will help.

How much does the New Consultant Kit cost?

The New Consultant Kit is \$75 (plus tax and shipping) and is valued at over \$200, plus you get a **\$50 Close to my Heart CASH** to apply towards your first order.

What comes in the New Consultant Kit? You get a ton of great products and business items in the kit to help you get started right away. Here's what is in the kit:

Is there an opportunity for new Consultants to earn free products?

Absolutely! With the "Straight to the Top" program, you can earn tons of free products! There are three levels of the Straight to the Top program and you earn free goodies at each level. If you reach all three levels (a total of \$1,200 in orders in your first 90 days), you will get (3) exclusive business builder stamp sets, a cute "On the Go" Bag, a heart dangle, a CTMH t-shirt, and a CTMH organizer filled with

\$150 in goodies. Plus, you will have earned a minimum of \$260 in commission and a minimum of \$75 in Select Product Credit which can be used to get more CTMH goodies.

What's the catch?

Other than getting a ton of wonderful products at a great deal and most likely getting addicted to them, there is no catch. You have the opportunity to build a business if you choose, but you don't have to.

What if I don't want to build a business and I just want to get the discount for myself on future orders?

That's great! Many Consultants are Hobbyists or Personal Use Consultants and do not do parties or hold classes or workshops. You are welcome to simply enjoy the discount on your own orders.

What is the discount?

Active Consultants enjoy a discount of 22%-35% depending on their sales for the month in addition to earning up to \$75 in FREE product credit each month. Senior Directors and above also earn an additional 5% - 15% of personal override commission ON TOP of the regular commission and free product credit! Your earning potential is unlimited!

What are the sales requirements?

The sales requirement is \$300 retail (before your discount) per calendar quarter to stay an active Consultant.

What if I don't place \$300 in a quarter or place any orders at all?

Once you sign up, you have a full quarter to make your sales minimum which means that if you sign up today, you have until the end of December 2017 to enjoy the full discount if you choose. Then if you do not have a total of \$300 in orders from October - December, you simply drop and are no longer a Consultant.

How long will I be a Consultant if I order the kit and then do nothing?

If you sign up today, you will be active until December 31, 2017. Then on January 1st, 2018 you will no longer be considered a Consultant. But with all of the fabulous new products that will be coming out in the Annual Inspirations catalog and the Holiday Expressions catalog, you will probably be VERY excited that you are a Consultant and are able to order the new products at a discount. So chances are you will not drop! LOL!

Do I need to give the Kit back if I drop?

There are no strings attached and you get to KEEP EVERYTHING!

Are you required to maintain an inventory?

Not at all. We have such a variety of products, it's hard to figure out what to have on hand. So ordering can be the best avenue for you. Or, if you are inclined to carry inventory, you can! Just pick and choose what meets your needs the best and that of your customers. Whether one item, several or 10 ... the investment is yours to make and decide upon.

Does the company offer Hostess gifts? If so, who pays for them?

Yes! CTMH pays for the hostess rewards. And as a Consultant, you are welcome to be your own Hostess and earn more free goodies!

This is the BEST!!

Does CTMH offer any training or events?

Absolutely! There are so many different training options available including lots of great videos and webinars. There is an entire listening library of recorded conference calls, bulletin boards for artwork, business, templates, Swaps, Mentoring, and more. They have pre-designed projects and workshops for us to use. There are annual events such as Local "Seasonal Expressions Launch" Events, annual

Crop Weekends, and Convention. There is even an 800# that you can call if you have questions. And a ton more! You will never be without help. PLUS, I have my own team Facebook page where everyone is willing to answer questions and offer more support.

How much is it to have a website?

All Consultants now have FREE websites, so your friends and customers can place orders online, 24 hours a day!

Can Consultants send out newsletters?

You bet! CTMH also provides all Consultants with free, professionally designed monthly newsletters, making it easier than ever to communicate with your customers.

Can you tell me a little more about you and your team?

My team ROCKS! We are small, but mighty! We have many hobby-minded consultants who have grown their hobby into a part time business and beyond! Our team consistently is in the top 1, 2 or 3 in the company for our size! Amazing but true!

How do you sign up?

You can sign up at my [website here](#). It will take you less than 5 minutes and your New Consultant Kit will be sent out to you right away.

How long will it take to receive my kit?

They have been shipping them out very quickly. They typically ship in 1-2 days of receiving your online application. You will receive a Fed Ex tracking number so that you can track your package and know exactly when it will arrive.

Can I contact you if I have questions after I sign up?

Of course. I am always available to my team via phone @ 732 266 1287; via email @ ilov2cr84u@gmail.com and you can find me on messenger and Facebook too! I am more than happy to help you get started building a business, or just encourage you if you would simply like to be a Personal Use Consultant.

Truthfully, you have nothing to lose and the most to gain! I hope this answers many of your questions and you'll jump on board! We'd love to have YOU!
