

More MAGICAL/DISNEY Kit of the Month

Would you like to create 13 pages for your Disney Adventure? This is a great kit which will contain a Title Page on our True Fit Folio. You'll be able to store your key cards, tickets, papers and some special documents (character's signature?) INSIDE the folio. Then you'll create beautifully designed artwork with page protectors. Also included are two 12 x 12 pocket pages that hold 4x6 and 3x4 photos, giving you both sides of each protector to add up to 32 photos! This kit is for a limited time only. Come to Class and we can cut it together. I will email you the cutting guide with photos for you to print out.
