This makes a great kit with NO cutting or stamping and can be put together in about 1 ½ hours. I added [Z1985 Gold Shimmer Trim](#) and a smidge of [Z3130 Silver Foil Tape](#) (optional). A wonderful album to create for graduation, prom, wedding .. or break it up and use pages individually. You can do the 7 page kit and add them to the same album for a fantastic gift! If you know of someone (newbies too!) looking to create an album for a gift, this is perfect! The album kit does include quite a bit @ a 20% savings!

Sponging is optional.
