You have two choices to pick from for the Kit of the Month to create either **10+ traditional** pages with Tis the Season ... or ... Oh What Fun ... **8+ whimsical/colorful** holiday pages. Love Elf on the Shelf? Use one of the layouts for that kind of theme. It also covers some winter fun photos ... holiday special events ... outdoor fun.

TIS THE SEASON Scrapbooking: 8+ pgs. **(my Signature guide & instructions)**

I did not use the WYW kit but chose to go A La Carte. If you go with the WYW, you can use the WHITE snowflakes as ornaments and the buttons could be used as centers, or you could create the WYW layouts created by CTMH. For me, it was a little too bulky on my pages so I opted to NOT use these items.
