I never know how many pages I will make when I start out with a new kit. So you can imagine how my mind can't stop thinking about the possibilities and it goes on and on. So many wonderful layouts with sizzling hot details are delivered in the amount of 13 artfully designed pages in all!

- We have to do an **ONLINE CROP** for this to capture it and complete it!
- **SAVE THE DATE and JOIN IN on Saturday, July 25th all day for \$30!** (SEE FLYER)
 - We will cut, create and assemble these pages and learn a few fun tricks along the way!
 - And for those who love the CARDS, well of course we have to include (G1209) those too!
 - [Click HERE to Watch the VIDEO](#) I just created for this Workshop and Online Crop with details.

You'll want the Summer Vibes workshop kit (G1207). Just follow my lead below & order Custom12 Cardstock (you can buy a 24 pack of white daisy). I did use ARTISTRY Cricut to create a cloud stencil (NOTE: this stencil is included for you when you register for my crop, along with swatches of the Holographic paper). You'll love the new Hooray Thin cuts, Mixins, PML cards and accessories!
