Stunning and elegant is the best way to describe Comfort & Joy. This traditional style Christmas/Holiday collection will give you ample opportunities to capture your family and friends during the upcoming season. Oh, what a fabulous Kit of the Month! If I could have the sky as my limit, I would have added gold, evergreen, black glitter papers! But instead, I chose only ONE: new SCARLET. When it comes to stamps, the Comfort & Joy scrapbooking stamp/thin cuts is a must have. Love the Poinsettia and we use it many, many times (as well as the leaves, berries). This set can also be used on cards too. Well, here's the list to help you purchase for this month's club .. and an Online Crop is on October 24<sup>th</sup> for Comfort & Joy!
