No matter what age, I've created a Birthday Celebrations KIT for both genders. Party Time is the perfect workshop to create & capture the happiest moments of these milestone occasions. Designing 6 each of feminine & masculine pages, and a Title Page. Just in case you want to create a Celebrations CALENDAR. Just flip the patterns over for one gender, male or female. It's a great mix of fun & colorful designs. Plus, using our How To CARD Program, you will make 8+ cards for both genders. An Online Crop will be held on Sunday, November 29th for PARTY TIME! So, that's 13 pages in all and 8+ Birthday Cards! Woo Hoo!
