Another OPTION for your November Kit of the Month: JINGLE JOY!

This is perfect for those that enjoy a whimsical holiday with all the trimmings! The bright colors will help you cherish telling your holiday story with flair and Santa goodness. My favorite is the “dear Santa” extended story where you can use your photos, journal the awe and wonder of the holiday through a little one’s eyes. But this is not just for kids as you’ll see how these pages work for all ages. I created 8 full 12 x 12 pages along with extended story sandwiched in between the “dear Santa” in added size protectors of 8 ½ x 11; 6x6, two pocket pages too. Don’t forget to add those 4x6, 4x4, 4x3 and 3x3 flip flaps to hold even more holiday goodness. BTW, the card workshop is truly fun and festive and a great introduction to OXIDE INKS. These were so easy to do and fun to make. Adding some silver stickles (included in the kit) kicked them up a notch with everyone’s favorite glitter bling!
