***This document will encompass all SERENITY has to offer!***

1. You'll find the first shopping list for the G1218 Workshop Kit to create 8 beautiful pages.
2. Next, will be the shopping list for Lynn's Signature Artwork for Serenity Kit of the Month. This creates another set of 8 beautiful designed pages
3. Lastly, if you love to create CARDS, I used the G1220 kit to create 16 all occasion cards. Using the same cuts, but changing the stamps/thin cuts to the ones from scrapbooking, gives you a whole new look! I think you'll truly enjoy creating this workshop!

***My thoughts:***

I did my best to create a variety of artwork that uses some product you may own and also new coordinating stamp/thin cut sets. As always, they are optional for you but I must say ... breathtaking and stunning! SERENITY is a keeper for so many reasons! Everything I used felt like a welcome addition to my stamp/thin cut collection. I am in LOVE with this featured paper collection and it will be a timeless piece any time of the year. So I hope you enjoy all the effort and creativity of SERENITY.

**Shopping list #3: SERENITY G1220 CARD WORKSHOP: Create 16 Cards** I

enjoyed playing with this workshop kit and creating the CTMH designed cards. Then I tweaked a few of each design using the same cuts and papers, but added some of the stamps sets we are using for scrapbooking. But you have to love the cardmaking set with the thin cut for the wreath. This one has so much potential and I hope to play with it in the upcoming weeks to show it off in style. Great cards for all occasion and you can easily change the greeting to birthday, thank you or to fit your needs.

**G1220 Serenity Cardmaking Workshop Kit \$29.95**

Workshop Kit includes:

- 1 – exclusive stamp + Thin Cuts
- 3 – Serenity patterned paper sheets
