If you find beauty in life's simple pleasures, then you'll love celebrating them with the soft colors and versatile patterns of the LOVELY Paper Collection and stamp/thin cut sets. This 12 page workshop kit features a variety of layouts to capture every day moments or special times. Working with wood accents and blue belle pearls balances the look on these pages. For those enjoying CARDS, you will be learning some clever interactive designs. A nice change with fun folds, stamps, thin cuts and stickers on our cards.
