

When you use the Hillside Cottage collection of products, your scrapbook pages, cards and other projects are certain to be bursting with rustic charm and richness. Using the workshop kit from CTMH and their 6 pages of artwork, I decided to go with their program BUT, make a few modifications and added two of my own pages and a 6x12 pocket page. Everything you need to duplicate this artwork is listed below.

***new* Hillside Cottage Kit of the Month (create 8+ pages)**
