Isabella is HERE! Love the soft, subtle hues of grey and green, with gorgeous florals and a tiny bit of lemon. Then we dash right into the bold color of bluebird, white and a little bit of lemon again! This collection is beautiful and can be used for a variety of themes. I know I have my photos from a B&B in Maine for the first set of pages. Then the bold blue/yellow will be for my trip in Italy a few years back of Ravello, Positano & Capri. But that's me! What will YOU do with it?
