*It's time to 'eat cake' and celebrate everyone's birthday! The bright and cheerful featured CAKE DAY paper collection can be used for both genders. Celebrating another year older is going to be so much fun on these pages. Each designed layout is uniquely different and adds variety. Plus, a little 'pocket page panache' and a Bonus 'treat' page will be wrapped up with a big bow for you! I loved the 'round the clock' look on one of the pages and using our markers in a creative way will give you even more ideas to use again and again!*

- *We will make 8 pages; Bonus layout & 2 pocket pages. In addition, you'll love having interactive birthday Cards using the Workshop Kit (16 cards). Join me for our next Serenity Crop Online Virtual Event on*
