

Welcome to Lynn's Scrapbook Guides!

New to My Cutting Guides? Start Here!

Welcome! If this is your first time using one of my scrapbook kits and guides, I'm so glad you're here!

My goal is to make your scrapbooking experience easier, more enjoyable, and less stressful. These helpful videos will walk you through my process so you can create with confidence.

Once you learn how to **CUT with ME**, you'll be able to use these techniques with **all of my scrapbook kits and guides**.

How to Use My Cutting Guides

If you've never used one of my Cutting Guides before, this video will show you how I organize my cuts and prepare the papers used in each layout.

You'll learn how to follow the guide, prepare your Designer Series Paper, and make your cutting process simple.

Let's Get Square: Stretch Your Designer Series Paper

Want to make the most of your beautiful Designer Series Paper?

In this video, I share how to create a frame and use the "guts" (or inserts) in other areas of your scrapbook pages. This is one of my favorite ways to stretch your paper and reduce waste!

Be sure to explore my other **Cutting Hacks** videos too!

Add More Photos with Flip Flaps

If you haven't tried Flip Flaps yet, you're in for a treat!

They are a simple way to add more photos, hidden journaling, and interactive elements to your scrapbook pages without making your layouts feel crowded.

Ready to Create?

I recommend watching these videos **before starting your scrapbook kit**. A little preparation upfront will help you:

- ✓ Avoid cutting mistakes
- ✓ Save paper
- ✓ Feel more confident following your guide
- ✓ Enjoy the creative process even more!
